Lonza extends tender offer for all outstanding shares of Arch Chemicals common stock to 14 October 2011

Basel, Switzerland, 30 September 2011 – Lonza Group Ltd (SIX: LONN), one of the world's leading suppliers to the life science industries, announced today that LG Acquisition Corp., an indirect wholly owned subsidiary of Lonza, has extended the expiration date for its previously announced tender offer for 100 percent of the outstanding shares of common stock of Arch Chemicals, Inc. (NYSE:ARJ) to 14 October 2011. The tender offer is at a price of USD 47.20 per share in cash, without interest and less any required withholding taxes pursuant to a previously announced merger agreement, dated 10 July 2011, by and among Arch Chemicals, Lonza and LG Acquisition Corp.

The tender offer has been extended because the conditions to the tender offer are not expected to be satisfied as of the previously scheduled expiration date. The tender offer remains subject to antitrust clearance in the United States, where Lonza and Arch Chemicals are working to respond to certain informal requests received from the Federal Trade Commission pursuant to the Hart-Scott-Rodino Antitrust Improvements Act of 1976. As previously announced by Lonza, antitrust clearances have been obtained from the competition authorities in France and Germany. The tender offer has been extended to provide additional time to obtain antitrust clearance in the United States, and has been extended to 12:00 midnight, New York City time, on 14 October 2011 with the consent of Arch Chemicals.

The tender offer may be further extended if conditions to the tender offer remain unsatisfied. Any additional extension of the tender offer will be followed as promptly as practicable by public announcement thereof, and such announcement will be made no later than 9:00 a.m. New York City time on the next business day after the previously scheduled expiration date. The closing of the tender offer is subject to customary terms and conditions, including antitrust clearances and the tender of more than two-thirds of Arch Chemicals' outstanding shares of common stock.

Lonza has been advised by BNY Mellon Shareowner Services, the Depository for the tender offer, that as of the close of business on 28 September 2011, shareholders of Arch Chemicals (1) had validly tendered and not withdrawn approximately 8,918,584 shares and (2) had instructed to be tendered under Arch Chemicals' CEOP 401(k) plan an estimated 757,437 shares, together representing approximately 38.0% of the outstanding shares of Arch Chemicals common stock.
